Dear Mr. Lovell:

We invite you to be a member of the Ecosystem Roundtable. You will be taking the place of John Beuttler, United Anglers.

The Ecosystem Roundtable, established as a subcommittee of the Bay-Delta Advisory Council (BDAC), has played a vital role in the selection and implementation of over \$215 million in ecosystem restoration projects. Your participation will help make this effort balanced and effective.

As BDAC continues to work with CALFED staff on development of the long-term comprehensive solution, the Ecosystem Roundtable will continue to focus on existing restoration efforts in order to improve the efficiency of program expenditures and consistency with the long-term ecosystem goals and objectives. The Roundtable provides vital public collaboration on the strategic and practical policy issues necessary for effective habitat restoration.

The next meeting of the Ecosystem Roundtable is schedule for Thursday July 22, 1999, from 9:30 a.m. to 12:00 noon in Room 1131 of the Resources Building at 1416 Ninth Street, Sacramento. We hope you can join us. If you have any questions, please contact Wendy Halverson Martin at (916) 653-5950.

Sincerely,

Sunne McPeak, Co-Chair
Bay-Delta Advisory Council

Mike Madigan, Co-Chair
Bay-Delta Advisory Council

cc: John Beuttler, United Anglers
